REVISED PAVING SCHEDULE

To: The Members and Residents of Old Farm Lake Association, Inc.
From: Mary T. Hartnett, RAM
Director of Management
Re: Revised paving project schedule
Date: July 23, 2002

Pleased be advised that P & B Paving Excavating, Ltd. will be delayed on the previous schedule of work you previously received due to the more extensive work incurred while removing and replacing the curbs and extensive repairs to the roadways.

Weather permitting; the following is a **REVISED** schedule of when the work will be take place. In the event of a weather delay, the work will take place on the following day (weather permitting).

The work schedule for paving for driveways and parking areas are as follows:

July 25th: Bayberry Road – parking areas and driveways only.
July 26th & 27th: Pondview and Further Lane and Farm Lake Crescent–parking areas/driveways only.
July 29th: Stone Bridge Square and Woods End Road-parking areas/driveways only.
July 30th & 31st: Rambling Brook and Waters Edge-parking areas/driveways only.
August 1st & 2nd: Deer Run and the clubhouse parking lot-parking areas/driveways only.
August 3rd & 4th: Birchwood Close-parking areas/driveways only.

Important: When your driveway is paved you must keep your vehicle off the driveway for 24 hours. Any vehicle remaining in a parking area on the date of its paving will be towed to the clubhouse parking lot at the owner's expense without further notice. Vehicles may be re-parked in those areas after 5:00 PM.

The work schedule for paving **roadways** is as follows:

August 5th: Bayberry Road.
August 6 - 7th: Pondview and Further Lane and Farm Lake Crescent.
August 7-8th: Stone Bridge Square and Woods End Road.
August 8-9th: Rambling Brook and Waters Edge.
August 12th: Deer Run.
August 13th: Birchwood Close

Important: When the roads are paved on the above dates, all vehicles must be removed from the common parking areas on those roads by **8:00 AM**.

We are aware that this project may inconvenience residents in and adjacent to the work site. We ask that everyone be patient and cooperative. We are sure that once completed, all residents will be pleased with the finished results. Thanking you in advance for your anticipated cooperation.
