

POOL NEWS

Spring has sprung and summer is almost here! Along with the record-breaking heat many of us have turned our thoughts to enjoying the summer season at our Old Farm Lake Swimming Pool. Opening Day is all set for Friday, May 25, 2001 at 10 a.m. Below you will find the updates for this year and attached a copy of the Pool Rules and Regulations. This pool belongs to all of us so please read on. Give us your feedback and share your ideas.

- **Pool Hours** –
Weekends and Holidays: Memorial Day through Labor Day 10 a.m.-8 p.m.
Weekdays May 29, through June 22, 2001: 3 p.m.-7 p.m.
Weekdays June 25 through end August: 11 a.m.-8 p.m.
- **Pool Passes** – Last year many residents complained that un-chaperoned guests were creating over-crowding at the pool. In response, we are requiring everyone to present a family pool pass to the lifeguard (enclosed). This will enable our staff to easily determine who our residents are and aid us in bringing our expenses under control. Of course, your guests are still welcome as long as a resident accompanies them.
- **Vending Machine** – Due to many requests, on a trial basis we will be installing a drink vending machine in the pool and clubhouse area. Drinks are 75 cents and bottled water is \$1.00.
- **Water Aerobics Class** – As we have done in years past, Old Farm Lake is making our pool available to the New Castle Community Center for a Water Aerobics class for seniors. This year the class is held on Wednesdays and Fridays in July, from 9:30-11am. Join the fun! This class is gratis for Old Farm Lake residents. Contact Roslyn Robinson at the Community Center to register; phone #238-3909.
- **Swim Lessons** – May be arranged for privately with our lifeguards during their off-duty hours.

Thanks so much for your cooperation. Have a great summer!
